D&H

Core-Mark®

Rashti & Rashti  
BABY & KIDS

## How Does It Help?

- Saves hundreds of manpower hours
- Reduces costs by 80% or more
- Recovers lost revenue by capturing 100% of deductions
- Increases speed and efficiency by 30%

## But What Does It Cost?

\$.80 or less per transaction, depending on the number of transactions managed over a 12 month term.

## What Does It Take To Get Started?

Most of our clients are set up in 4-6 weeks following a 60 minute phone consult. Minimal I.T. support is needed.

## WHO IS IT FOR?

- Suppliers
- Manufacturers
- Distributors

- Who sell product or ship to a variety of retail partners and shippers
- Who use any combination of ERP systems and internal manual processes
